

Call for Manuscripts: *TAFCS Research Journal*

The next *TAFCS Research Journal* will be published in summer/fall. **January 15 (midnight) is the deadline for manuscript proposals to be received for the *TAFCS Research Journal*.**

The purpose of the journal is to communicate research findings to Family and Consumer Sciences professionals who are researchers or who are interested in research. Implications of the research for these professionals should be emphasized in the manuscripts. Authors should discuss the meaning of the results for practitioners and researchers as well as how the results may be used. A \$30.00 publication fee will be required at the time of final revision for each accepted manuscript.

Manuscripts may focus on the profession or one of the AAFCS Divisions; they may also be interdisciplinary. Members are encouraged to submit manuscripts for the *TAFCS Research Journal* in any of the following categories:

- Brief Reports
- Reviews of Literature
- Abstracts of Research Published by National, Refereed Journals
- Listings of Research in Progress
- Other Formats

General Guidelines: Only current members of AAFCS/TAFCS may submit manuscripts. Secondary authors eligible for AAFCS/TAFCS membership must also be current members. For interdisciplinary research proposals, the principal investigator must be an AAFCS/TAFCS member. Brief reports should not have been published previously in the *TAFCS Research Journal*. The same research may be considered for presentation at the TAFCS Annual Meeting and for publication in the *TAFCS Research Journal*. However, different proposals (following the correct format for each) must be submitted at the appropriate times.

Please consult the TAFCS website at www.tafcs.org for **detailed guidelines** for *TAFCS Research Journal* manuscript submissions. Submit manuscript via email to hec_hhg@shsu.edu by midnight January 15. Type "TAFCS Journal Submission" in the email subject heading. Attach the following: (1) the cover page, and (2) the manuscript (JPG or PDF graphics or illustrations may be separate attachments). If submitting more than one manuscript, **please send separate emails for each submission**. If you do not receive confirmation of receipt within 3 days of emailing your manuscript, contact Harriet Griggs at 936-295-9475 or hec_hhg@shsu.edu. NOTE: If any part of the submission does not meet the guidelines, it will be rejected.
