

Light for Families Award -Texas Guidelines

The Light for Families Award is a collaborative project of the AAFCS – Texas Affiliate and Power companies serving Texas families. The purpose of the award is to recognize several family and consumer sciences professionals, community leaders, students and friends of the family volunteers annually who through their work or community service provide a valuable light and voice to families.

Eligibility

The nominee(s) is not required to be a current member of the AAFCS – Texas Affiliate. The award is designed to increase the visibility of the contributions professionals, community leaders and students in family and consumer sciences make to Texas families. You are invited to recognize a Texas Light for Families by completing and submitting the nomination materials by November 1. Award recipients will be selected and notified of their recognition, with details related to the presentation of the award.

Nomination Process

Please provide the following biographical information of nominee:

- Full name of individual; spouse's name if applicable
- Title or position
- Place of employment or volunteer work
- Complete mailing address
- Telephone, fax and email address

Additional materials to be submitted:

- Describe the Light the nominee brings to Texas families. (Limit to 100 words or less. Prepare this as though you were writing an article for the media across Texas. Provide the number of families reached through program(s), project(s) or service.)
- Provide a quote from two families or individuals the nominee has impacted during the last year.
- Provide name, address, phone and email information of the member submitting the nomination.

Submit the above information by November 1 to the current Vice-President, Member Relations of AAFCS- Texas Affiliate.
