## Directions

TWU is located northwest of Dallas and northeast of Fort Worth. Our proximity to the Dallas/Fort Worth Area provide our students and faculty with abundant cultural, social and educational opportunities. Denton, a community of about 100,000 people, is home to TWU and the University of North Texas. Find out more about Denton at [DiscoverDenton.com](#).

### From Dallas:

Take Interstate I-35 to Denton. Take exit 464, which becomes Dallas Drive. Stay on Dallas Drive, which passes under a railroad bridge and curves to the right, where it becomes Bell Ave. Continue on Bell Avenue. After crossing McKinney Street, Bell Avenue will curve to the left (you must be in the left lane to make the turn). Ahead of you will be the TWU campus with its distinctive high-rise buildings. At the intersection of Bell Avenue and Administration Drive, turn left and stop at the visitor booth. You will be given information on parking and directions to the admissions office.

**From Fort Worth:**

Take Interstate 35W to Denton, exiting at University Drive (US 380). Turn right on University Drive. Follow University Drive to Bell Avenue, which runs through the TWU campus. Turn right on Bell Avenue. Turn right on Administration Drive and stop at the information booth for parking assistance and directions.

US Highway 380 is the major east-west thoroughfare in Denton. Known in the city as University Drive, it borders the northern edge of the TWU campus.

TWU's high-rise buildings are visible for miles, so keep an eye out for them as you approach Denton.
